I have read the "Board Member Job Description" and am willing to be working on the MAC Board of Directors.

1. Present Occupation and experiences/skills that would be an asset to the Board:
2. Are you able to dedicate the time needed monthly to the Board and various committee responsibilities?
3. As a Board member of MAC, how do you see yourself as an ambassador and an advocate for MAC and it's mission and goals and how would you do so?
4. How do you see MAC being important to our community?
5. Board/Committee Experience:
6. If you were in disagreement with the general consensus of the Board, how would you handle it?
7. Describe what assets/contributions you would you be bringing to the Board.
