

MOLOKAI ARTS CENTER (MAC) PROTOCOLS eff. April 2021

MAC protocols have been updated effective April 01, 2021.
Please read thoroughly before contacting the MAC.

COVID-19 PROTOCOLS

To reduce the impact of COVID-19 on our island community, especially those at-risk, the MAC has implemented rules to assure the safety and health of our staff and those who choose to use our facility.

Current government (county, state, federal) laws & regulations, as well as CDC and OSHA guidelines, supersede MAC's safety & health protocols.

STUDIO USE GUIDELINES

Current county/state rules allow for no more than ten people to congregate while keeping the 6 ft. physical distancing guidelines. The MAC is limited by space. Only 3 members will be allowed during each adult session. Kupuna and Keiki sessions may have up to 8 members per session. This allows for 6 ft. physical distancing guidelines. Each session will be hosted by one of our staff/members listed below. Note they are HOSTS and NOT instructors (except for kupuna and keiki classes). No more than TEN socially-distanced individuals allowed in the studio at any time.

No host, no entry. NO ONE is allowed on the premises without one of the hosts listed below, even if you have a key. Our hosts have specific instructions on safety and health protocols and need to be present to assure a safe environment for all users.

MANDATORY - BASIC INFECTION PREVENTION MEASURES

WEAR your mask * WASH your hands * WATCH your distance

- ***Stay at home if you are sick.*** You will not be allowed in the studio if you are coughing, have a runny nose, fever, or are feeling ill. ***Your temperature will be taken before entering the MAC.***
- We understand momentary coughs and sneezes may be caused by allergic reactions. Please use basic respiratory etiquette by covering coughs and sneezes. ***Cover mouth and nose with flexed elbow or tissue - throw tissue away immediately and wash hands.*** Again, if you feel sick, please stay at home.
- If you have traveled off island (interisland, mainland, out of country) or have been in contact with someone who is COVID-19 positive, please ***quarantine for 14 days*** before signing up for sessions.
- ***A fitted or medical mask is required at all times.*** If you are medically unable to wear a mask, we ask that you wait until the MAC is able to open fully. Masks are not for your own protection, but for the protection of those around you. Mahalo to our MAC Mask-Makers headed by Kim Markham for making some available at the studio in case you forget yours.
- ***Sanitize hands upon entering the studio, before you sign in.*** Hand sanitizers will be available at the entrance, however if you choose to use your own, it must have at least 60% alcohol.
- ***Wash your hands frequently and thoroughly*** with soap and water. Wash your hands with soap and water before leaving the studio.
- Please monitor yourself and ***maintain 6 ft physical distance*** from others.
- All equipment and studio tools must be sanitized after use and placed in the bucket labeled "Used Tools." Rags will be provided if needed, however after each use, rags must be placed in the laundry basket. Hosts will prepare room for next group after everyone leaves.
